

# Serger University

We were very lucky, actually honored, to be able to host Serger University with Margaret as the Instructor. She is in very high demand throughout the United States for serger and sewing classes, running schools and judging competitions. She has been very active over the years with the American Sewing Guild (ASG) and the Smocking Guild. She also has worked with Hancock fabrics, JoAnn fabrics and Margaret has been a board member for S.F.N.G (Sewing and Fine Needlework Guild). Margaret is a wonderful person and is deeply rooted in the sewing profession!

There is only room for 24 students. So, it's first register, first attend. Sign up now by telephoning the store with a credit card number, or come in to pay for it. Let us know what model serger you own at registration time.

Our Serger University will be held November 19th and 20th and the time is 10-5pm each day!
