

# **A-1 VACUUM & SEWING**

## ***Why purchase from A-1 Vacuum & Sewing?***

- ◆ We're not like Big Box Stores (BBS) who, "sell for less". They sell for LESS and LESS is exactly what you get. Our products are designed for quality and performance.
- ◆ We service what we sell, does the Big Box Super Mart service anything? Would you buy a car from a dealer without a service department?
- ◆ We carry a wide selection of Vacuums and Sewing Machines. We show you Vacuums or Sewing Machine that suit YOUR needs. We use over 62 years of professional experience to answer your questions. Anyone can stack boxes on shelves. We show you the product personally.
- ◆ Warranty: We ARE the warranty station for all products we sell.
- ◆ Supplies: We carry all the supplies you need to keep your purchase operating in tip top shape. If we don't have it, we'll get it!

At **A-1 VACUUM  
& SEWING** the best thing we have to offer is ourselves.
